	Special Populations Compliance Nuts & Bolts Series	Seats to a dedicated year-long strand of trainings that specifically address legal mandates in special education and MLL/ELL education	✓	✓	✓	✓
	Systems Deep Dive Cohorts	The <b>Secondary Literacy</b> Cohort brings school teams from 5th-12th grade together to receive targeted coaching and support around parallel Tier 3 and Tier 1 literacy interventions for struggling readers. Schools meet collectively and also individually with the specialist leading the cohort to ensure their school's/network's specific goals are achieved.				
		The <b>Mental Health and Social Emotional Learning</b> Cohort supports school teams with evidence-based programs to support students and school-wide SEL initiatives. This program helps schools address mental health challenges; improve distress tolerance, resilience, and coping skills; build prevention skills to reduce crisis situations; promote mindfulness; and improve school culture.	3 participants	6 participants	9 participants	12 participants
		The <b>Leading for Equity</b> Cohort is for school leadership teams to explore the expanded definition of cultural relevancy and educational equity and discuss how school environments do or do not promote equity. Teams will walk away with renewed purpose and a vision for ensuring their staff, students, and families are recognized, known, and uplifted within their school communities.				
Annual Conference	Passes to the 13th Annual Education Conference, a multi-day event with high profile keynotes and interactive breakouts	2 passes	4 passes	6 passes	10 passes	
SPECIALIZED PROGRAMMING	Academic Intervention Support Trainings	Discounted seats for evidence-based academic intervention supports in core content areas	5%	10%	15%	20%
	PIPELINE Program	Discount to three PIPELINE strands, one for principals/EDs, one for general education coaches, and one for "new-to-Special Education" teachers. Each strand focuses on special education law, policy, and practice, with theoretical and application-based practices shared in each session.	-	10%	10%	15%
	Crisis Prevention Institute's Non-Violent Crisis Intervention Program	Training in NCI, which includes staff certification in safe verbal de-escalation for students in crisis and the development and certification of a crisis response team, including restraint training	-	-	12 participants	15 participants
	Principal Cohort	Exclusive access to a year-long cohort for principals that focuses on understanding special education from school systems level and essential components of program design	-	-	✓	✓
